Prize

Second

On behalf of HDTTA, Paul Phillips and helpers won second prize for the 'Group Entry' section at this years Harvest Fair.

The winners of this section were Helston WI, so well done to them.

Scouting Party to Visit Plougasnou

A group of four have gone on a fact finding visit to Plougasnou, in Brittany at the invitation of their Mayor. The purpose of the trip is to visit local places of interest, including schools, factories and the surrounding countryside.

Earlier this year, Helston was one of several town in the West Country to be invited to form a possible twinning alliance with Plougasnou.

On their return the group will provide a short report for The Helston Town Council members and members of HDTTA.

Following their findings and a favourable invitation from Plougasnou, future plans can be discussed.
